Love and other moments
are just chemical reactions in your brain
And feelings of aggression
are the absence of the love drug in your viens
in your veins
Love come quickly
Because I feel my self esteem is caving in
It's on the brink
Love come quickly
Because I don't think I can keep this monster in
It's in my skin

Love and other socially acceptable emotions are
morphine
They're morphine
Cleverly concealing primal urges often felt but rarely
seen
Rarely seen
Love I beg you
Lift me up into that privileged point of view
The world of two
Love don't leave me
Because I console myself that
Hallmark cards are true
I really do

I'm gunning down romance
It never did a thing for me
But heartache and misery
Ain't nothing but a tragedy

Love don't leave me

Take these broken wings
I'm going to take these broken wings
And learn to fly
And learn to fly away
And learn to fly away

I'm gunning down romance
