Maybe it's intuition

But some things you just don't question

Like in your eyes

I see my future in an instant

And there it goes

I think I've found my best friend

I know that it might sound more than a little crazy

But I believe

CHORUS

I knew I loved you before I met you

I think I dreamed you into life

I knew I loved you before I met you

I have been waiting all my life

There's just no rhyme or reason

Only this sense of completion

And in your eyes

I see the missing pieces

I'm searching for

I think I've found my best friend

I know that it might sound more than a little crazy

But I believe

Repeat - Chorus

A thousand angels dance around you

I am complete now that I've found you
