Last Christmas I gave you my heart

But the very next day you gave it away

This year to save me from tears

I'll give it to someone special

Last Christmas I gave you my heart

But the very next day you gave it away

This year to save me from tears

I'll give it to someone

I'll give it to someone

special

oh oh oh.....

Once bitten and twice shy

I keep my distance but you still catch my eye

Tell me baby do you recognize me?

Well it's been a year it doesn't surprise me

Happy Christmas

I wrapped it up and sent it with a letter

Saying I love you I meant it

Now I know what a fool I've been

But if you kissed me now I know you'd fool me again

Last Christmas I gave you my heart

But the very next day you gave it away - you gave it away

This year to save me from tears

I'll give it to someone special - special

Last Christmas I gave you my heart

But the very next day you gave it away

This year to save me from tears

I'll give it to someone special - special

Oooh

A crowded room friends with tired eyes

I'm hiding from you and your soul of ice

My god I thought you were someone to rely on

Me? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart

A man under cover but you tore me apart

Oooh

Now I've found a real love you'll never fool me again

Last Christmas I gave you my heart

But the very next day you gave it away - you gave it away

This year to save me from tears

I'll give it to someone special - special

Last Christmas I gave you my heart

But the very next day you gave it away

This year to save me from tears

I'll give it to someone

I'll give it to someone

special

(repeat until fade
