"Tears Of Pearls"

And we stare each other down
like victims in the grind
probing all the weakness
and hurt still left behind and we cry
the tears of pearls
we do it. oh we do it.
Is love really the tragedy the way you
might describe
or would a thousand lovers
still leave you cold inside?
Make you cry...
these tears of pearls
All these mixed emotions we keep locked away like
stolen pearls
stolen pearl devotions we
keep locked away from all the world
You kisses are like pearls,
so different and so rare
But anger stole the jewels away
and love has left you bare,
Made you cry...

these tears of pearls

Well I could be the tired joker

pour my heart to get you in

sacrifice my happiness

just so I could win

Maybe cry...

These tears of pearls

All these mixed emotions

we keep locked away like stolen pearls

stolen pearl devotions

we keep locked away from all

the world

We twist and turn where angels burn

Like fallen soldiers we will learn

that once forgotten, twice removed

love will be the death...

the death of you

All these mixed emotions

we keep locked away like stolen pearls

stolen pearl devotions

we keep locked away from all

the world
