Never want to fly

Never want to leave

Never want to say what you mean to me

Never want to run

Frightened to believe

You're the best thing about me

Sometimes I feel like this is only chemistry

Stuck in a maze searching for a way to

Shut down turn around feel the ground beneath me

You're so close where do you end where do I begin?

Always pushing and pulling

Sometimes sanity takes vacation time on me

I'm in a daze stumbling bewildered

North of gravity head up in the stratosphere

You and I roller coaster riding love

You're the center of adrenaline

And I'm beginning to understand

Never want to fly

Never want to leave

Never want to say what you mean to me

Never want to run

Frightened to believe

You're the best thing about me

Walk on broken glass make my way through fire

These are the things I would do for love

Farewell peace of mind kiss goodbye to reason

Up is down the impossible occurs each day

This intoxication thrills me

I only pray it doesn't kill me

Never want to fly

Never want to leave

Never want to say what you mean to me

Never want to run

Frightened to believe

You're the best thing about me

You're the center of adrenaline

And I'm beginning to understand

You could be the best thing about me

Never want to fly

Never want to leave

Never want to say what you mean to me

Never want to run

Frightened to believe

You're the best thing about me

You could be the best thing about me

What if you're the best thing about me
