She's taking her time making up the reasons

To justify all the hurt inside

Guess she knows from the smiles

And the look in their eyes

Everyone's got a theory about the bitter one

They're saying

2-Mama never loved her much

And daddy never keeps in touch

That's why she shies away from human affection

But somewhere in a private place

She packs her bags for outer space

And now she's waiting for

The right kind of pilot to come

(and she'll say to him)

She's saying

1-I would fly you to the moon and back

If you'll be, if you'll be my baby

Got a ticket for a world where we belong

So, would you be my baby?

Ooh-ooh

She can't remember a time

When she felt needed
If love was red then she was colour-blind
All her friends they've been tried for treason
And crimes that were never defined
She's saying
Love is like a barren place
And reaching out for human faith is
Is like a journey I just don't have a map for
So baby gonna take a dive and
push the shift to overdrive
Send a signal that she's hanging all her hopes on
the stars
(What a pleasant dream) just saying
Mamma never loved her much
And daddy never keeps in touch
That's why she shies away from human affection
But somewhere in a private place
She packs her bags for outer space
And now she's waiting for the right kind of pilot
To come (and she'll say to him)
She's saying
(repeat 1, 2, 1
