Dream on...

Mama, oh mama, I found that guy
Mama, oh mama, I found that guy

Mama, life for me now is a new sensation
Just like you said it would be with the right situation
Now love has a meaning and I have a goal
This feeling inside me now makes yesterday a hundred
years old

Now I understand (understand)
What it is to be a woman (be a woman)
The way you explained to me that day
You said only the right guy can make me feel this way

So, mama, I think I found that guy, yeah...
Mama, I think I found that guy
(I found that guy)

Mama, he's that beautiful dream (dream on)
That I dream each night (he's that, he's that)
He's like that bird of love on whose wings I'm in flight
He's those words left when there's no more to say
He's my sunshine at the end of my day

All this lets me find (lets me find)
A reason to be alive (to be alive)
The day when you sat me upon your knees
You said only the right guy could be all these things

Mama, I think I found that guy, yeah...
Mama, I think I found that guy
(I found that guy)

She said, "Tee, go on and search around
There's a good man
I mean, a good man out there to be found"

Mama (mama), oh mama (mama)
I think I found a man for me-e-e, yeah

Yeah, yeah...
I found that guy

Mama (ooh), oh mama (he's that, he's that)
I found that guy
Mama (oh), oh mama (that)
I found that guy

Mama (hey-ey-ey), oh mama
I found that guy
Mama (mama), oh mama (oh mama)
I found that guy
