

Angels And Airwaves "My Only Fear"

Visit "[My Only Fear](#)" on MotoLyrics.com

There's a little black dark scar tired divide
This is it, can you hear me?
Have you ever felt a sad heart buried alive?
You can do almost anything
There's a little red bridge with a view of the sun
With a lake recommend such a setting sight
And the thousands of stars come out thousands of
times
We can go, only if you believe.

Only if you believe.

Do you feel that you've lost everything you can lose?
This is it, can you hear me?
When you cry do your tears ever chill up the room
Calling out in a moment of need?
Do you ever lay awake with a look in the eye
Asking god if a wish is too big to deny
I will offer a line that is ready for use,
Let me know, are you ready for me?

I'd like to say that you're my only fear.
And when I dream, it slowly disappears.
And when I wake, I'm right here by your side.
To feel your heart beat in and out of time.

When the storm brings rain, snow fate of all kinds,
You can feel most anything.
When the day seems to melt, fall flat in the night,
You can feel most anything.
When you can't go on, you gotta get up and try.
This is it, can you feel me?
When the bombs come down, you will make it alive.
But only if you wanna believe.

I'd like to say that you're my only fear.
And when I dream, it slowly disappears.
And when I wake, I'm right here by your side.
To feel your heart beat in and out of time.

I'd like to say that you're my only fear.
And when I dream, it slowly disappears.

And when I wake, I'm right here by your side.
To feel your heart beat in and out of time (out of time)

(When I dream)
You're my only
(When I dream)
I feel your heart.
(When I dream)
I'm out of time
(When I dream)
I'm out of time

I feel your heart [x4]

I'd like to say that you're my only fear.
And when I dream, it slowly disappears.
And when I wake, I'm right here by your side.
To feel your heart beat in and out of time.
