This vacation's useless
These white pills aren't kind
I've given a lot of thought on this 13-hour drive
I miss the grinding concrete where we sat past 8 or 9
And slowly finished laughing in the glow of our
headlights
I've given a lot of thought to the nights we use to have
The days have come and gone, our lives went by so
fast
I faintly remember breathing on your bedroom floor
Where I laid and told you, but you swear you loved me
more

Do you care if I don't know what to say?
Will you sleep tonight will you think of me?
Will I shake this off, pretend it's all okay?
That there's someone out there who feels just like me
There is

And those notes you wrote me
I've kept them all
I've given a lot of thought of how to write you back this
fall
With every single letter in every single word
There will be a hidden message about a boy that loves
a girl

Do you care if I don't know what to say?
Will you sleep tonight will you think of me?
Will I shake this off, pretend it's all okay?
That there's someone out there who feels just like me
There is

And there is,
And there is,
Oooh, wooh, oooh...

Do you care if I don't know what to say?
Will you sleep tonight will you think of me?
Will I shake this off, pretend it's all okay?
That there's someone out there who feels just like me

Do you care if I don't know what to say?
Will you sleep tonight will you think of me?
Will I shake this off, pretend it's all okay?
That there's someone out there
There's someone out there...
