Ain't it grand to be in love
When love's new
Understanding all the things
Love can do

Every morning, when I rise from my slumbers
I gaze on you
And then all through the day
I cherish the memory of your sweet face
(It's no disgrace)

Ain't it fine to love someone
Who loves you
A valentine who feels the things
That you do

Every night, before I lay down beside you
I pray for you
And then all through the night
I dream I protect you from feeling sad
(I got it bad)

Ain't it grand to go hand in hand
Just the way that we do
And ain't it grand that you love me
And I love you
