When I was just a boy
My mother told me
I'd meet girls like you
Now I see it's true
But what does that mean to me?
When my heart says "run away with you"
What else can I do?

Angeline, Angeline
Oh you're only seventeen
You're a mixed up girl
But I can't stay away

I promised I'd be good
But what's an oath when all my passions flood?
There's fire in my blood

Angeline, Angeline
You're a drop out beauty queen
You're a mixed up girl
But I can't stay away

And yet it's all so black and white
This time
Seems hard
But I gotta do
What's right . . . Angeline

Nobody wins alone
Everyone needs a little helping hand
Now I understand

Angeline, Angeline
Oh you're only seventeen
You're a mixed up girl
But I can't stay away
Away

Angeline, Angeline
You're a drop out beauty queen
You're a mixed up girl

But I can't stay away
Angeline
You're seventeen
A mixed up girl
But I can't stay away
