Open you ind on your beliefs  
A lucid vision of your reality  
Fear pushed you hard against the wall  
Consume your force to face it all

All the weaker try to drag you down  
To keep you from rising  
Jealousy feeds on them  
In the abyss of insecurity

We are born alone in this world  
We die alone in this world  
Our destiny is our own  
Nobody can live our life

I am the king of my future  
Blind shall lead the blind  
I am not follower but a leader  
I am the King of my future

My mind is set  
All the voices in my head  
Are muting forever  
By the convictions of my act
