Vain and reprehensible
Wholy indefensible
You're steamy when you start to speak
Particular, and never weak at all

Slyly unpredictable
Stubbornly intractable
You're happily contemptible
Easy and delectable you are

I can read your mind
You're danger by design

Irresistible coquette
Thinking over what you said
You said, "Love is only make believe
Love is what you feel and see, that's all"

I can read your mind
You're danger by design

It's gone too far
You're out of sight but I'm a fool
I see the writing's on the wall and that's the truth

It's gone too far
You're out of sight but I'm a fool
I see the writing's on the wall and that's the truth

Wicked tongue and wicked lies
Wicked heart and wicked mind
There's nothing sacred you won't steal
There's nothing more you could reveal at all

I can read your mind
You're danger by design
