Guilty  
Of a lover's crime  
Once you thrilled me  
Now I'll do my time

I was running around  
Dragging you down  
Leaving you far behind  
Yes, I'm guilty  
Of letting you go

Baby  
You're the lucky one  
Cause baby  
Now I'm on the run

Cause now they're chasing you down  
All over town  
And it's all for the things I've done  
Yes, I'm guilty  
Of letting you go

Guilty  
Of romanticide  
Now I'm wilting  
Twisting up inside

I was running around  
Dragging you down  
Wishing you still were mine

Yes, I'm guilty  
Yes, I'm guilty  
Guilty  
Of letting you go
