Really gonna miss you
It's really gonna be different without you
Time is gonna be hard and slow
For the rest of my life
Gonna be thinking about you (yes I am)
Time came when you had to go

I'll miss you my buddy
I'll miss you my friend
I promise my love for you will never end

In your finest hour
I was there with you
And without you things won't be the same
But there's a higher power that we answer to
And you heard him calling your name

Really gonna miss you
Everything about you your smiling face
I know you want us all to be strong

Really gonna miss you
I know your going to that magic place
Singing you a brand new song

I'll miss you my buddy
I'll miss you my friend
I promise my love for you will never end

Really Gonna Miss You!!!!!!
