"In The Battlefield"

I'm rising up from the dead
I'm so alive
I feel so weird inside
I've forgot all my past

My enemies are on my side
They control all of my thoughts
The only thing I've realized
It's death around the battlefield

I got only hatred
Only chaos satisfies my inner-self

I am the sole survivor
I am born in a new rise

The sun soon will rise
I'ma bout to hide
I feel so weird inside
I've forgot all my past

One last time
My human feelings appears
I'm destroying who has created me
Hoping for my future
