Meant to be killed
It's your destiny
Guilty as sin
Judgement for you... DIE!

Live in this sick society
Where violence is dominant
Innocents die
For wealth and glory
I am the vigilante
Who puts weight in justice
I'll punish the guilty
And those who deserve to die

Walk through this dark alley
Feel someone in your back
You cannot escape from me
Feel, feel it in my sight
The disgust that I got from you
Hope you enjoy your shitty life
You're dead
