"Sealed In Blood"

Walk through this path of fire
Demons shall guide him to their master

Raven's guard the unholy forest
Nevermore life will be the same

Flesh is burning, melting fast as ice
Evil eyes in his expressions
Living dead controlled by demons
He shall never leave is new home Hell

Be the servant of master Lucifer
He gave you power and immortality
The deal is sealed
Is sealed by given blood

Follow me blindly
You should have thought twice
Before signing the deal
