Ticking clock

Everyone stop

Everyone's saying different things to me

Different things to me

Everyone's saying different things to me

Different things to me

Wooooohh

Do you believe

In what you see

There doesn't seem to be anybody else who agrees  
with me

Do you believe

In what you see

Motionless wheel

Nothing is real

Wasting my time

In the waiting line

Do you believe in

What you see

Nine to five

Living lies

Everyday

Stealing time

Everyone's taking everything they can

Everything they can

Everyone's taking everything they can

Everything they can

Wooooohh

Do you believe

In what you feel

It doesn't seem to be anybody else who agrees with me

Do you believe

In what you see

Motionless wheel

Nothing is real

Wasting my time

In the waiting line

Do you believe

In what you see

Ah and I'll shout and I'll scream

But I'd rather not have seen

And I'll hide away for another day

Do you believe

In what you see

Motionless wheel

Nothing is real

Wasting my time

In the waiting line

Do you believe

In what you see

Everyone's saying different things to me

Different things to me

Different things to me

Different things to me

Different things to me

Everyone's taking everything they can

Everything they can
