How. (Uh!)

Let me hear you holla!

\*Chorus:

Hey, oh!

What's good wit' you now?

Hey oh, (Hey!)

You know what to do now;

Holla! Holla!

We got the rhythm,

We got the most fun.

Like this, we gonna drop the beat

Rock the house, get you up on your feet

Get away from the rat race

It's a paaarty

Like that, we gonna raise the roof

Let the music do it's thing to you

Play ahead and get it started

Move your body

Come on now take you for a ride

Drop the top and dance all night

Life is good so let me hear you holler

\*Chorus x 2

Jump back, a-brush side to side

Roll your booty 'round from left to right

Look at you, here we go now

I think you got it

That's right, where you take it though

Up, up, up is where you want to go

The kick box, feel the bass talk

Now baby work it now

That's exactly how we do

Bringing the party to you

Life is good so let me hear you holler

\*Chorus x 2

Time flies on, don't waste it frowning

Come go with me and let your hea-head down

Ride your groove and let it out

Don't stop! Keep it hot

(keep it hot, keep it hot, keep it hot, keep it hot)

Let me hear you holler

(keep it hot, keep it hot, keep it hot, keep it hot)

Hey, oh, he-ey

Hey, oh, he-ey

Hey, oh, he-ey

How.

Let me hear you holla!

Hey, oh, he-ey

Hey, oh, he-ey

Hey, oh, he-ey

How.

Let me hear you holla!

Come on everybody holla

You don't have to bring a dollar

Come on up and do your thing

Come on-a make your body sing

If you wanna jump and dance

Come on-a make your body dance

Come on yeah

Come on ja

Jump up and HOLLA!

\*Chorus x 4
