[Intro - R. Kelly]

Yo, I know everybody out there wanna know
What the hell does this mean
I don't know my damn self, haha

[Verse 1 - R. Kelly]

Now what the hell does "Thoia Thiong" mean
It can mean anything you want it to mean, anything you
say it mean
That's what it mean, if you say sex, then probably
Some say it means pushin the Lex then probably
This one White chick said, "Gettin real smokey and
feelin free"
This Black chick said, "Sippin Hennessey in V.I.P"
Well, well you can say what you want that's what it is
All I know is that the thoia thiong man it's the shit
Afro's, corn rolls, hair weaves, you gotta love it
White, Black, brown, even Japanese you gotta love it
And you know somebody out there going "Man I like the
beat"
"The hook is real tight, but I'ma keep it real dogg it
puzzles me"
No rules in the music industry y'all know
If it feel good and make you move your feet y'all know
If the bass is bumpin in your jeep y'all know
Then its the Piper and I'm coming with the heat
Thoia thiong, make you wanna club pop make you
wanna drop top
Make you get like Beyonce, and do the booty hop
Thoia thiong, inspired by juice and Hypnotic
It's like a virus, and the whole world got it

[Chorus] + (w/ Baby ad-libs)

I had her singing
Thoia thoia thoia thoia thiong thiong
Thoia thoia thoia thoia thiong thiong
She had me singing
Thoia thoia thoia thoia thiong thiong
Thoia thoia thoia thoia thiong thiong

[Verse 2 - Baby]

See it's Baby and Kelly, come relax with us shorty
When we drop, it's platinum plus shorty
Whoa you see the rocks with the rays
Mess up your eyes like a blunt of that haze
Knee high boots, right wheel side Coupe
Custom made seats, with the fall back roof
Fine Dutch, Louie Vaton with steel toe shoes
Iced up Jacob watch march Jacob boots
Mini's On the Jetta, boss just to take a trip
G4 we in the clouds, now we making hits
The Bird landed in Japan, hopped in a Six
Steering wheel, wood grain, in these foreign whips
Kiesha to Italy, Stacy to France, and
Tanya to Paris, her models the badest and
We stopped in Jamaica spent a hundred grand
Got a hundred model chicks, I done flew from Japan

[Chorus] + (w/ Busta Rhymes ad-libs)

[Verse 3 - Busta Rhymes]

Shorty I love how you drop it the way you get down and

And ready to (take a glass) sitting on top of ya ass like
