Strong arm steady, Talib Kweli

Niggaz gettin' caught in the trap

There's more to us than that  
We the shit consider the facts, after you analyze that  
You know you best to fall back, woah

Woah, I'm dealin' wit nuttin' but facts when I spit it  
though  
You niggas superstitious, don't step on the cracks  
Or split the poem, candle light, flickers so bright, I feel  
the wick  
Can kick a sicka flow and spill it like a liquor store

I spit the shit to make a cripple get up and dance  
I spit the shit to make the average MC piss in his pants  
I spit the shit to make a mothafucka call it a night  
I spit the shit to see fuck wit C Delores Tucker sex like

I take a sip from my creative well, in this game for a  
minute  
I play this well to win it, ya go to Africa like Cave  
Chappelle, you finished  
'Cause ya prehistoric raps is borin' the number of  
whack rappers  
Soarin' like the percentages of teenagers who have  
abortions

These niggas meak, they lyrics weak and they beats is  
corporate  
They try snitchin' on records their mouths is leakin'  
forces  
Drippin' 'em over system than Chinese water torture

Rippin' a series of events more unfortunate than  
lemony snicket

Niggaz gettin' caught in the trap  
For the cash it's the drugs basketball or the rap  
There's more to us than that  
We the shit consider the facts, after you analyze that  
You know you best to fall back, woah

Teach the blind plus get a piece of mine  
Release ya minds for each design  
Baby food for thought, rappas not [Incomprehensible]

Due to this pork eatin' niggas of sort

Yo, you's a fuck face, burnt out loser that's always up  
late  
Planet Ais the revolutionary slash nut case  
A witchcraft black magic, data load up computers  
A spread the message wrote to you where, when I show  
illusions

If all y'all niggas is killas then how ya write ya records?  
How'd you find the time? Stop lyin', ya minds infected  
There's only a few and I ain't sayin' niggas  
Don't put it down from you town, I'm talkin' 'bout you

And open on some fanna and out right snitchin' on

That I could possibly want and prostitutes front, get a 4

Scratch that, I'm talkin' about a full roster of raps,  
monstas that rap  
Buzzed out later check the cadence of the frequency

Uniquely, we strong arms strategically  
Easily I twist the [Incomprehensible]  
Killa Cali [Incomprehensible] back alleys burnin'  
backwoods in Danelis  
Or he probably wit Kweli, out in BK, we make it easy for  
the Djs  
Like instant replays, conversation by the buttons  
I talk and touch sumpin'

Straight shots of the luey, he flew me out to London  
Crunchin' numbas, flippin' more dough like Siccisero  
Next thing you know, we kissin' ya hoe, wit out the  
mistletoe  
Strong arm steady, agony can sickly, Phil da rigglies  
The big league niggas is droppin' indies let's go
