[together]

And everybody on the avenue, I know, when they see  
us sing

Everybody on the avenue, I know, when they see us  
sing, there she is

[Talib]

Fresher than Tony Rebel's vestibules at African street  
festivals

My incredible women is, plentiful

Over the years I met a few, none of them compare to  
you

Preparin you to make food bearable, somethin terrible,  
let's see:

you fruitful, beautiful, smart, lovable, huggable

Doable like art, suitable to be part

of my life, Coppertone, oh you copyright infringement

Pay you bidness ten cents, way back in the day  
It's like I'm standin there you know appreciatin God's  
design  
and then you showed up, it's like you read my mind  
DAMN SHE'S FINE, I think I add the R-E, in front of that  
and see if she D, to get, with a cat like me

[Talib] I like the, I like the, I like the, I like the  
way you walk, yes, I live the way you move  
[Mos] I like the way you walk, when you walk on by  
I like the way you move, I like the WAY you move  
[Talib] I like the, I like the, I like the, I like the  
way you walk, please, won't you do that dance  
[Mos] I like the way you walk, when you walk on by  
I like the way you move, I like you baby

[together]  
And everybody on the avenue, I know, when they see  
us sing  
Everybody on the avenue, I know, when they see us  
sing, there she is

[Mos Def]  
Ooooh! Daring me girl, look at you!  
Comin on the block lookin fresh and brand new  
Ooooh! Headwrap cover your hairdo  
Pretty feet peekin through open-toed shoe  
Ooooh! No limit to what I would do  
Make love to you like long interview  
Whooh! Is she for real, me like you  
Good look champion, win the title  
True, many man try invite you  
Shot down lyric each time they cyph you  
Jewel, what man you get all insides you  
Feet they walk way and just that sheik posture  
Ooooh! Can't be a next one like you  
Famous like tapes made by DJ Clue  
I tighten up my game as I approach you  
Yo check her she the nectar the bee get close to

...

[Talib]  
I don't get many compliments, but I am confident  
Used to have a complex about, gettin too complex  
You got me, willin to try, looked me in the eye  
My head is still in the sky, since you walked on by  
I'm feelin high, got my imagination flickerin like hot  
flames  
it's how it seems, you make me wanna ride the  
Coltrane to A Love Supreme  
My brown lady, creates environments, for

happy brown babies, I know it sounds crazy  
but your skin's the inspiration for cocoa butter  
You provoke a brother we should get to know one  
another  
I discover when I bring you through my people say  
TRUE, all I can say  
is all praise due I thank you God for a beauty like you

[Mos] There she is, she's a brown skinned lady

Such a brown skinned lady

She's a brown skinned lady

She's a brown skinned lady

She's a brown skinned lady

[Talib]

You know what some people put themselves through  
to look just like you?

Dark stocking, high heels, lipstick, alla that

You know what?

Without makeup you're beautiful

Whatcha you need to paint the next face for

We're not dealin with the European standard of beauty  
tonight

Turn off the TV and put the magazine away

In the mirror tell me what you see  
See the evidence of divine presence  
Women of the, Carribean, they got the, golden sun  
I know women on the continent got it  
Nigeria, and Ghana, you know they got it  
Tanzania, Namibia and Mozambique  
and Bothswana, to let it speak  
about latinias, columbianas

...

Tallenas, of course the Brooklyn women walk that walk  
And the Bronx women walk that walk  
Honies from Queens walk that walk, NYC, ATL, LA  
Cincinatti, the Bay Area...
