yall sell crack ta own
i'll be in back of a home
ya smell the musk of the dusk
in the crack of the dawn
we go through episodes2 like attck of the clones
wait till we break a bag
and ya hear the crack of the bones

just ta get by just ta get by just ta get by
just ta get by just ta get by just ta get by

wit the muta comuta
spirits debue
while ya equals spread rumors
we survive the less
turn to consumers

just ta get by just ta get by just ta get by
just ta get by just ta get by just ta get by

as do i ask
why people gotta live in a trailer
cuz like a sailor i'm gettin a picture wit a pint light
norma miller raise 3 daughters all by her self wit no
help
think'n bout a struggle and ta find the strenght for
myself
and these word melt in my mouth they hot
like a jailsell in the south
before my nigga carl bailed me out

just ta get by just ta get by just ta get by
just ta get by just ta get by just ta get by

do i die like best die
the red sky window of the red eye
lead flower livin the less die

this moring i woke up feel'n brand new 'n i jump up
feel'n
my highs and mylows and soul and my cold just ta stop

smoke'n and stop drink'n and i 've been think i've got
reason just ta by

just ta get by just ta get by just ta get by
just ta get by just ta get by just ta get by
just ta get by just ta get by just ta get by
just ta get by just ta get by just ta get by

we keep it gansta say fo'a shezzie fo'a shizzle and stay
crunk
it's easy ta fool a brezzy smoke trees and we stay
drunk
yo i active as if as a mattack'n the system
the blacks 'n latins in prison
numbas brezz'n they black vi
