[Talib Kweli]

So many emcees focusin on black people
extermination
We keep it balanced with that knowledge of self,
determination
It's hot, we be blowin the spots, with conversations
C'mon let's smooth it out like Soul Sensation

We in the house like Japanese in Japan, or Koreans in
Korea
Head to Philly and free Mumia with the Kujichagulia
TRUE
Singin is swingin and writin is fightin, but what
they writin got us clashin like titans it's not excitin
No question, bein a black man is demandin
The fire's in my eyes and the flames need fannin (3X)

With that what? (Knowledge Of Self) Determination
repeat 4X

[singer]

Things I say and do, may not come quite through
My words may not convey just what I'm feelin

[Talib Kweli]

Yes yes come on, yes yes
Knowledge Of Self is like life after death
With that you never worry about your last breath
Death comes, that's how I'm livin, it's the next days
The flesh goes underground, the book of life, flip the
page
Yo they askin me how old, we livin the same age
I feel the rage of a million niggaz locked inside a cage
At exactly which point do you start to realize
That life without knowledge is, death in disguise?
That's why, Knowledge Of Self is like life after death
Apply it, to your life, let destiny manifest
Different day, same confusion, we're gonna take this
hip-hop shit and keep it movin, shed a little light
Now y'all bloomin like a flower with the power of the
evident
Voices and drums original instruments

In the flesh presently presentin my representation

With that what? (Knowledge Of Self) Determination

repeat 6X

- - - - these two parts overlap - - - -

Things I say and do, may not come quite through

My words may not convey just what I'm feelin

repeat 2X

[Talib Kweli]

The most important time in history is, NOW, the present

So count your blessings cause time can't define the
essence

But you stressin over time and you follow the Roman
calendar

These people enter Cona like Gattaca, you can bet
they tryin to lock you down like Attica, the African
diaspora

represents strength in numbers, a giant can't slumber
forever

I know you gotta get that cheddar whatever

Aiyyo I heard you twice the first time money, get it
together

You must be History, you repeatin yourself out of the
pages

You keepin yourself depleatin your spiritual wealth
That quick cash'll get your ass quick fast in houses of
detention

Inner-city concentration camps where no one pays
attention

or mentions the ascension of death, til nothing's left
The young, gifted and Black are sprung addicted to
crack

All my people where y'all at cause, y'all ain't here

And your hero's using your mind as a canvas to paint
fear

With, broad brush strokes and tales of incarceration
You get out of jail with that Knowledge of Self
determination

Stand in ovation, cause you put the Hue in Human
Cause and effect, effect everything you do
and that's why I got love in the face of hate
Hands steady so the lines in the mental illustration is
straight

The thought you had don't even contemplate
Infinite like figure eight there's no escape..

From that what? (Knowledge Of Self) Determination

repeat 4X

Things I say and do, may not come quite through

My words may not convey just what I'm feelin

repeat 2X

..

Things I say and do, may not come quite through
My words may not convey just what I'm feelin
repeat 2X

What I'm feelin, what I'm feelin, oooh, what I'm
feelin...
