[Talib Speaking:]

I Ain't Out 2 Diss Nobody  
But We Gon Keep It Real 4 A Second  
Can We Keep It Real 4 A Second  
Brooklyn Stand Up  
If U Doing Ya Grizzly I Respect That  
But A Lot Of Rappers Is Saying Things They Don't Mean  
People See Through Dat

Talib Kweli

[Chorus:]

Niggas Lie A Lot, Niggas Lie A Lot  
Niggas Lie, Niggas Lie, Niggas Lie A Lot  
I Know U Think U Nice,  
U Just Nice On Ya Block  
Wit These Crabs In Da Bow  
Tryin 2 Rise 2 The Top

[Verse 1:]

This Is Why I'm Hot  
This Is Why I'm Hot  
I Ain't Scared 2 Die  
I Ain't Scared Of Gettin Shot  
I Got The Fear Of God  
And From All That I Been Through  
If U Fuck With The Family  
Then I Gotta Put It In U  
Pause, Now Continue  
I Love The Competition  
I Ain't Got No Issue With The Battles Or Dissin  
But I Keep It Straight Wit U  
We Shootin From The Hip  
I Can't Stand These Rappers Dat Just Shootin Off They  
Lip  
Every Rapper Is A Clapper  
Your Producer Is A Shooter  
Engineer Gotta Nine  
Label Boss Gotta Ruger  
Yeah Right We Ain't Stupid  
We Don't Believe These Losers  
Gotta Mac In Da Booth  
Tell The Truth, It's A Computer  
So Let Me Guess U Make It That Impressin  
I Seen U On MySpace, U Just Wanna Be Friends

So Let's Not Pretend, I Respected Ya Block  
Until I Put It All Together, Now Let's Connect Da Dots  
[Chorus]  
[Verse 2:]  
Ok, U Say U Rap  
U Know How I Can Tell U Whack  
It's 2007 N U Still Sellin Crack  
Back N 1986 When We Was Shootin Over Sneakers  
Crack Was King But Now They Slangin N It's Drastically  
Cheaper  
It Ain't A Real Demand There Ain't No Short Supply  
Just The Same Old Crackheads Getting Twice As High  
These Niggas Like 2 Lie On How They Kill On Corners  
They Still Corny, They Don't Know What The Real New  
York Is  
Faster Than A Rose N Crime Inner City Drop  
It Wasn't Cuz The Mayor Added 40,000 Cops  
U On The Corner Like "Wow, My Style Is Pretty Hot"  
But My Style Mile Is Equal 2 20 City Blocks  
Most Say New York Is Soft  
It's Softer With The Beef Shit  
Niggas Can't Separate The Music From The Street Shit  
Man That's Some Weak Shit  
Them Niggas Never Classic  
Remember Bastards  
Talib Kweli Forever Blacksmithin
