Check the block  
1 2, 1 2, 1 2  
1 2, 1 2, 1 2  
1 2 3 the pass to be  
Not the mighty dollar Kweli  
With the Z

My rhymes make love to be mike will get than never  
force it  
I plan my seat to hate a prag and poses, believe  
Work, perceive the blessing y'all I see the whole picture  
While you only see sex  
Get birth to this style like you to beat the computer  
But I never play the moves is too much estate  
Life is all bout what you do, you don't say  
Every man got a cold this move we don't break  
Gotta pay those dues you give me the whole V on trial  
for my view  
He trick my cold D never hore for the sister is pimping  
like OD  
That's the man hoze you know how to hoes B  
What is street, what is stuck on this throat  
Now in the east trade froose when you punch on the  
trees  
That ain't the peach I came through  
But I'm not on the leaves  
Change colors money please that's the rap like the...  
In the state of emergency blood is the currency  
They spill it on the ground to the mutter burgundy  
Hotter than the mercury, shopper than the... the doctor  
for a surgery  
A rapper talk about the...  
That's absurd they thought it never occur to me  
I let it spit it first out the courtesy  
Currently the best full of fresh to death because of  
murder beats  
Because of murder beats, yeah

Yeah I raised the glass for those who raised the bar  
Wait the waffle to those who probably catch what I say  
them all

WI need a new challenge so I could new the lies  
But two talents running over tracks like some new  
dollars  
Will make the... rhymes work to provide got a new time  
for innocent rhymes  
Get out the way have em on their needs  
Asking their master when they feed em  
None of them I am half of what I've been seeing  
I know you say you pack what I laugh still  
You only metal got in the lines that is for deals  
You need to smack the kill this is snack for real  
The shit is so so if you rap and the... kill  
I'm all seeing like the eyes on the black of bills  
The black in the eyes of the shark when the tap seals  
Keep it so fresh I got you... to see  
You're the king I break the crown like Jack Jill

SO so so so so so so fresh  
SO so so so fresh
