Let me, let me practice he he he, eh eh  
Talib T'Kwi, Kweli, I can't say it  
That's wack

Yeah, you pronounce my name (Kweli), any questions?  
I bring many blessings with my man HiTek and he from  
the Natti (Natti)  
We make the sky crack, feel the fly track  
Get your hands up like a hijack  
Fist in the air for (Kweli), keep 'em there like  
Natural mystic or smoke when they spliffs lit  
It's a revolutionary (party), they ask me what I'm writin'  
for  
I'm writin to show you what we fightin' for  
Say Taleeb or Talib (Kweli), if it's hard try spellin' it  
phonetically  
If not then just let it be like Nina Simone  
You probably (ably) don't listen B  
Even when we suffer loses I account the victory  
Sometimes it's far and between I'm sad to say  
It got my brain crowded like sunset on a Saturday  
I know my son wept 'cause his dad's away  
Stop cryin' be strong for your momma is what I had to  
say

To my little man named Amani (mani)  
Start the party, my crew hot feel these two shots  
Like the blast from a double barrel shottie (shottie)  
It's got to be, your man HiTek and Kweli  
Who make you rock your body (body)  
Start the party, my crew hot feel these two shots  
Like the blast from a double barrel shottie (shottie)  
It's got to be, your man HiTek and Kweli

I remember when it all started  
Back in the day when me and moms first parted  
HiTek from the beginnin' I stayed advanced  
A young chameleon, adapt to any circumstance  
Peep game nigga never been a lazy nigga  
Stayed on my hustle concentrate to get the paper  
bigger  
Stay focused, while other cats stay hopeless

While niggas stay high I stay lower  
Stacking my chips to get a foreclosure  
This shit ain't over  
Going for the gusto, keep getting that provo  
It's HiTek (and Kweli) on the track like Flo Jo  
Bet you ain't even know I had flow though

Yo, make you rock your body (body)  
Start the party, my crew hot feel these two shots  
Like the blast from a double barrel shottie (shottie)  
It's got to be, your man HiTek and Kweli

Keep on dancing, ya gotta keep on dancing  
Keep on dancing, ya gotta keep on dancing  
Keep on dancing, ya gotta keep on dancing  
Keep on dancing, ya gotta keep on dancing
