no more books and studies  
and i can stay out late with my buddies  
i can do the things that i want to do  
'cause all my exams are through  
i can root for the yankees from the bleachers  
and don't have to worry 'bout teachers  
i'm so glad that school is out  
i could sing and shout

chorus

(school is out)  
everybody's gonna have some fun  
(school is out)  
everybody's gonna jump and run  
(school is out)  
come on people don't you be late  
(school is out)  
i just got time to take my girl out on a date  
school is out at last  
and i'm so glad i passed  
so everybody come and go with me  
we're gonna have a night with daddy g  
go daddy

(sax solo, including the words)  
that's great  
let's celebrate  
with a little bit of soul now  
oh yeah  
the party's here

chorus

(sax solo)
