

## Expect "I Wonder"

Visit "[I Wonder](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I wonder will you remember  
The smile I used to have  
Each time when we were together?  
I'd hope you understand  
That this wasn't my plan  
It all got out of hand

I wonder will you think of me  
The way that you once thought?  
My worst fear is that this will be  
The last time that we both  
Can stare into eachother's face  
Without hittin' the ground with our eyes

It seems like it all was a waste  
I'm sick and tired of these lies

I wonder, I wonder, I wonder  
I just wonder  
I wonder (wonder)  
I wonder (wonder)  
I wonder  
I just wonder

I wonder will you forgive me  
One day?  
I'm praying to The Almighty  
If you'll stay  
'Cause I love you so much

I've forbidden lies  
'Cause you know that I'm  
Not the one you can trust

I wonder (wonder)  
I wonder (wonder)  
I wonder (wonder)  
I'd give all I have  
I wonder (wonder)  
I wonder (wonder)  
I wonder (wonder)

I just wonder  
I wonder

I wonder will you forgive me  
One day?  
I'm praying to The Almighty  
If you'll stay
