Just as long as I'm in this world
I am the light of this world

You don't believe in Jesus
And not a word he say
When he come all way down to Lazarus' grave
And raised him from the dead

Just as long as I'm in this world
I am the light of this world

I've got fiery fingers
I've got fiery hands
And when I get up in heaven
Gonna join that fiery band

Just as long as I'm in this world
I am the light of this world

Prayer is the key of heaven
And faith unlock the door
That's why my god give me the key
And he told me to carry it everywhere I go

Just as long as I'm in this world
I am the light of this world

Didn't they take old John the Baptist
And out him in a kettle of oil
Well, my god got in there with him
And they told me the oil wouldn't boil

Just as long as I'm in this world
I am the light of this world

I know I got religion
I know I ain't ashamed
For the holy ghost is my witness
And the angels done signed my name

Just as long as I'm in this world

I am the light of this world
