Mother, don't you stop a-prayin'  
Father, keep right on prayin'  
Mother, don't you stop a-prayin'  
For this ol' world is almost done

Keep your lamps trimmed and burnin'  
Keep your lamps trimmed and burnin'  
Keep your lamps trimmed and burnin'  
For this ol' world is almost done

Sister, don't you stop a-prayin'  
Brother, keep right on prayin'  
Sister, don't you stop a-prayin'  
For this ol' world is almost done

Keep your lamps trimmed and burnin'  
Keep your lamps trimmed and burnin'  
Keep your lamps trimmed and burnin'  
For this ol' world is almost done
