Oh, when I was out in the world of sin
I had no one to be my friend
Jesus came and he taken me in
Glory, hallelu

And he taken my feet out the miry clay
He placed them up on a rock to stay
I thank God that I can say
Glory, hallelu

O, Glory how happy I am
O, Glory how happy I am
My soul is washed in the blood of the lamb
Glory, hallelu

O, Glory how happy I am
Yeah, glory how happy I am
My soul is washed in the blood of the lamb
Glory, hallelu

I was out in darkness and I could not see
Jesus came and he rescued me
He claimed me and gave me a victory
Glory, hallelu

And one day while Jesus was passing by
He set my sinful soul on fire
He made me laugh and he made me cry
Glory, hallelu

Whoa!
Yeah, glory how happy I am
My soul is washed in the blood of the lamb
Glory, hallelu

Whoa, glory how happy I am
Oh, glory how happy I am
My soul is washed in the blood of the lamb
Glory, hallelu

When I could not understand

Jesus, he give me a lending hand
Led me away to the promised land
Glory, hallelu

Oh, well he give me a horn and he told me to blow
Go in peace and sin no more
He led me away to the upright shore
Glory, hallelu

Whoa, glory how happy I
Yes!
My soul is washed in the blood of the lamb
Glory, hallelu

Well, glory
Yeah!
My soul is washed in the blood of the lamb
Glory, hallelu

I know something that's mighty swell
A sweet little story I love to tell
Jesus saved my soul from Hell
Glory, hallelu

Oh, stand back Satan, get out of my way
I don't want to hear not a word you say
I'm on my way to the King's highway
Glory, hallelu

Well thank God I got over at last
Thank God I got over at last
My feet is planted in the narrow path
Glory, hallelu

Whoa, glory how happy I am
Whoa, glory how happy I am
My soul is washed in the blood of the lamb
Glory, hallelu

When I had no home to claim
I begin to call on Jesus' name
He saved me from old Satan's chains
Glory, hallelu

Now I'm fire-baptized and holy ghost-filled
I'm out here to do my master's will
I must keep going, I must keep
Glory, hallelu

Well, glory
Whoa, glory how happy I am

My soul is washed in the blood of the lamb
Glory, hallelu

Yeah, glory how
Yeah!
My soul is washed in the blood of the lamb
Glory, hallelu
