Count Me In
Gary Lewis and the Playboys
Written by Glen D. Hardin

Peak chart position # 2 in 1965

If you need someone to count on, count me in
Someone you can rely on through thick and thin
When you start to count the ones that you might ever
doubt
If you think of counting me, count me out

When you count the ones that want you, count me, too
And if I'm not first on your list, count me blue
Just be sure you count on me and when the countin's
through
Count me madly in love with you

If you need someone to count on when you're down
And all your other friends you've lost, count me found
Just be sure you count on me when you're down and out
Count me in through thick and thin or it don't count

When you count the ones that want you, count me, too
And if I'm not first on your list, count me blue
Just be sure you count on me and when the countin's
through
Count me madly in love with you
