(Randy Newman)

One, two, three ! Oh, ha ha ha.
Baby, take off your coat, real slow.
Baby, take off your shoes, I'll take off your shoes.
Baby, take off your dress, yes, yes, yes, you can leave
your hat on.
You can leave your hat on, you can leave your hat on.

Go over there, turn on the light, that's right, baby.
Come overhere, stand on the chair, ooh, baby, well,
that's right.
Raise your arms in the air, now shake 'em.
You give me reason to live, you give me reason to live.
You give me reason to live, you give me reason to live.

Oh baby, you can leave your hat on, you can leave your
hat on !
You can leave your hat on, can't buy now, baby.
Oh, oh, oh, you can leave your hat on !
Oh, give it to me, baby, you can leave your hat on !

Suspicious minds keep talking, that's right, they'll tear
us apart.
They don't believe in this love of ours, they don't know
what love is
They don't know what love is, they don't know what love
is.
They don't know what love is, yeah, I know what love is.

Baby, baby, baby, you can leave your hat on !
Oh ah, you can leave your hat on ! Yeah, yeah, yeah.
Give it to me, darling, you can leave your hat on !
One more time, one more time, you can leave, oh !
