Since you went away
I haven't had the chance to tell you
How long must I wait?
I'm going through the same emotions
Day after day
That's not for me
I needed you for more than just one night
Try to understand
There's so many times that I have wanted to say

Are you man enough
Are you man enough for my love
Are you man enough
Are you man enough for my love?

You know I'll take a chance
I wanted something more to believe in
I needed some romance
More than just a special feeling
Baby, can't you see?
It isn't just my heart you're stealing away
Try to think of me
And everything I said to you, because
I just wanna know

Are you man enough
Are you man enough for my love
Are you man enough
Are you man enough for my love?

You were hurt the first time
It happened so fast
But if you fall in love with me
We can work it out
We can make it last
So baby, let me know

Are you man enough
(If it gets too tough)
Are you man enough for my love
(Would you be man enough)

Are you man enough
(If it gets too rough, would you be...)
Are you man enough for my love?
Rae you man enough
Are you man enough for my love
Are you man enough
Are you man enough for my love?
