I've been holding out on you
I've been takin' it slow and tough
'Cuz you've got a reputation
For leavin' when the lovin' get rough
And my heart is reachin' for ya
And my love is getting stronger
There's an urgency
A need in me
I can't take it any longer

No, I
Can't wait
I can't wait another minute
For it all to begin
No, I
Can't wait
I can't wait another minute
So let your love come rushing in
I can't wait
I can't wait

You've been coming on so strong
And I know you've been confused
'Cuz I didn't fall too easy
Like the ladies usually do
So here's the answer to your question
I want you all to myself
'Cuz I'm oh so good
No one else will ever do

No, I
Can't wait
I can't wait another minute
For it all to begin
No, I
Can't wait
I can't wait another minute
So let your love come rushing in
I can't wait

And my heart is reachin' for ya

And my love is getting stronger
There's an urgency
A need in me
I can't take it any longer

Can't wait
I can't wait another minute
For it all to begin
No, I
Can't wait
I can't wait another minute
So let your love, let your love come rushing in
Oh baby
No, I
Can't wait
I can't wait another minute
For it all to begin
No, I
Can't wait
I can't wait another minute
So let your love come rushing in...
