Ooh... ooh...
Ohhhhh... ooh
Oh yeah, baby, mmm-mm-mmm
Ehhhh... ehhh...

Singing in the water
Thinking of the night we met
And saying I love you, my baby
We could have been closer
Wehn you held me in your arms
And nothing completely what we shared

No one ever wants to be the lonely one
So baby, why you say to me "I gotta go"?

I don't wanna live without you
Don't let me be the lonely one
Oh baby, why you set me free
For now and forever
You said that I'll be the only one
Baby, come back to me

Hearing that love song
The one that takes me back
To when you first kissed me, eee
I could have been stronger
Those feelings inside of me
I love you so deeply, could it just seen

No one ever wants to be the lonely one
So baby, why you say to me "I gotta go"?

I don't wanna live without you
Don't let me be the lonely one
Oh baby, why you set me free
For now and forever
You said that I'll be the only one
Baby, come back

I did something happened that I did not realize
Always and all in your mind when you say goodbye

I'm reaching out to you now
I just want you to understand
Can we start over or is this goodbye?

Oh yeah, mmmm... ooh, ooh
Where did you go, baby? Oh...
Baby, no-o-o, no... ooh
Ohhh yeah
I need you, I want you baby
Ohhhh-ohhh
