[Spoken intro]

Do you believe in me?
That is my question
It doesn't take some fit degree
To follow my directions
Why should I sacrifice
To get results?
Why do you never take any advice?
You seemed to lose youe self-control

Do you believe in me?
That is my question
It takes a little street degree, baby
To follow my directions

I was a fool to believe in you
You know it's true (you know it's true)
It's a love-hate situation
And you know it's not in my direction, girl

Feelings of yours don't matter
As long as I am around
To feel so good, girl
Feelings of mine do matter
As long as you are inside
That makes me love you

Feeling don't matter
Just show them
Feelings you got them (ooh...)
Don't hide them
Feelings, come show me (feelings)
Then love them
Feelings, don't hide them
Just show them

What you see is what you get (is what you get)
And you second my emotion
So why you have to go and treat me so bad?
When I love you, it's really true devotion

It's so true, I can't believe in you
It's so nice to be cruel (it's so nice to be cruel)
It's a love-hate situation
And you know it's not in my direction, girl

Feelings of yours don't matter
As long as I am around
To feel so good, girl
Feelings of mine do matter
As long as you are inside
That makes me love you

Feelings don't matter
Just show them
Feeling you got them (ooh...)
Don't hide them
Feelings, come show me (feelings)
Then love them
Feelings, don't hide them
Whoo!

My love can wait much longer (security)
Security is what you really need (your heart is)
Your heart is getting much stronger (I'm beating)
I'm beating

Yeah... oo-ooh, oo-ooh! Ah, ah!
Ah, security, unh!

What you see is what you get (is what you get)
And you second that emotions

Feelings of yours don't matter
As long as I am around
To feel so good, girl
Feelings of mine do matter
As long as you are inside
That makes me love you

Feelings don't matter
Just show them
Feelings you got them (ooh...)
Don't hide them
Feelings, come show me (feelings)
Then love them
Feelings, don't hide them
Just show them

Feelings of yours don't matter
As long as I am around
To feel so good, girl

Feelings of mine do matter
As long as you are inside
That makes me love you

Feelings don't matter
Just show them
Feelings you got them (ooh...)
Don't hide them
Feelings, come show me
Then love them
Feelings, don't hide them
Just show them
