You keep me waitin' and I don't understand  
But I'm tryin' hard to keep my cool  
No use in hidin', I know where you are  
'Cuz you leave too many clues  
Why do you say that you want me  
When someone else is holdin' you  
(Someone's holdin' you)  
You know I'm ready to see you  
So find the time

Find the time  
When will you find the time  
When will you find the time  
When will you find the time

I'm tellin' everyone that you're still my man  
I can hear them laugh behind my back  
Oh, come on and prove it to me, show me I'm right  
'Cuz it's time to face the facts  
So many lovers all over the place  
But they never mean that much to you  
(Mean that much to you)  
You know it's me that you really want  
So find the time

Find the time  
When will you find the time  
(Come on baby, find the time)  
When will you find the time  
When will you find the time  
When will you find some time for me?  
Find the time  
When will you find the time  
When will you find the time  
When will you find the time

You keep me waitin' and I don't understand  
But I'm tryin' hard to keep my cool  
No use in hidin', I know where you are  
'Cuz you leave too many clues  
Why do you say that you want me

When someone else is holdin' you  
(Someone's holdin' you)  
You know it's me that you really need  
So find the time

Find the time  
When will you find the time  
(Come on baby, find the time)  
When will you find the time  
When will you find the time  
When will you find some time for me?  
Find the time  
When will you find the time  
When will you find the time  
When will you find the time

Oh, I'm telling everybody that you're still my man  
Oh, I can hear them laugh behind my back  
You gotta find the  
You gotta find the  
Find the time  
Baby  
Find the time...
