Oooh hoo hoo
Yeah, babe...

Oh, yeah
And we're gonna do it just like this here

When I love you for
For sentimental reasons
Oh yeah (oh yeah), oh yeah

I love you, ah
For sentimental reasons, yeah
I hope you do believe me
I'll give you my heart, oh, oh

I love you, whoa (Baby, you know that I do)
And you alone were meant for me, yeah
Please give your loving heart to me
(Give it to me, hey, hey)
And say we'll never part, no, no, no, no
Oh baby, hey, hey

When I love you for (oh yeah)
For sentimental reasons (a love that's true like me and
you)
Love you, love you (oh baby, hey, hey)
When I love you for
For sentimental reasons (Oh yes I do)
Oh yeah (oh yeah), oh yeah (oh yeah)

I think of you every morning, yes I do [oh baby]
I dream of you, I dream of you every night
Whoa... oh...
Baby, you know, baby I'm ne-never lonely, no
Whenever [whenever] you are in sight

I love you [Baby, you know that I do, ooo]
For sentimental reasons, yeah
I hope you do believe me, yeah, yeah
[Believe that you do, oo-ooo]
I'll given you my [hear-art] heart, ohhh, oh...

Oh, baby, hey-ey

You know, there are so many things in life, baby
A man that never find
[A love that's true like me and you]
Yeah, you're all I'm living for
(Oh baby, hey, hey)
Baby, all the things that we may go through
And all the bad times, too
(Oh, you know I do)
You know, I'll be there through my heart with my life

(Oh whoa, whoa, whoa oh, oh babe, hey, hey)
When I love you for (oh yeah, yeah)
For sentimental reasons
(Oh, a love that's true, oh you know I do, mmm)
Love you (oh I love you), love you (I love you, yeah, hey,
hey)
When I love you for (oh, you know I do)
For sentimental reasons (oh yea-yeah, oh yeah)
Oh yeah (all my life), oh yeah

Oh, listen up
I'll do anything you want me to
Tell me, baby, and I'll do it for you
Oh, I really love you
Oh, I really need you every day in my life
When the night time comes 'till the day shines through
I'll be on your side with a love so true
Oh, yes I will, babe, Lord knows I will, babe
Let me give you what you're looking for

When I love you for (oh whoa... oh...)
For sentimental reasons (Oh you know I do)
Love you, (oh, you know I do), love you...
