[Chorus]

When I'm with you, I'm funktafied
(Yeah, yeah, yeah) (Yeah, yeah, yeah)
You're everything, you're my lover
(I want you, I want you)
When I'm with you, I'm funktafied
(Yeah, yeah, yeah) (Yeah, yeah, yeah)
You're everything, you're my everything
(I want you, I want you)

Kick back, relax and max and getting my groove on
I can't wait to see you, boo
You know I gots to get with you
Turn the lights off
We don't wanna waste no more precious time
'Cause baby, I'm in love with you
Let's get it on, get it on, get it on

Chorus

Lay back
Let me rub you and touch you and do my thang
I'm gonna lick you up and down
You'll be calling out my name
Gonna do it all night, your body's slammin'
Baby boo, you're so fine
That's all that I wanna do
Let's get it on, get it on, get it on

Chorus

Let me lick you up and down
Gonna make your love come down
There is nothing better, this could be forever with you
Baby, I know what to do
Just tell me, boy, and I will do
All the things you want me, all the things you tell me to
do

Repeat Chorus till fade
