Unh! Oww!  
Hot love, mm...  
Feels so good to me, baby

You touched my heart  
And I don't know  
Just what intentions, baby  
You wanna show  
True colors shows so clearly  
When in love  
Let me see the color green  
And baby, we're ready to go

Wait, not too fast, honey  
Take it slow  
Don't wanna rush it, baby  
Heaven knows  
Your love is good for me  
And mine for you  
Baby, you know love is right  
Whenever I'm with you

You give me hot love  
And it's so good to me  
Hot love  
And baby, no one satisfies me  
With hot love, baby  
So cool, yeah  
Hot love  
A love it takes to satisfy me  
I know, uhh...  
Hot love, ahh...

Too much of a good thing  
Is no (unh) good for you  
That's what they say, baby  
Do you think it's true?  
I believe in love  
Tell it straight from the heart  
Let me hear you say it, too  
True love is hard to find

Wait not another minute (wait)  
Uh, love is here  
We know the way, baby  
All is planned  
Your love is hot for me  
And mine for you  
Baby, we know love is right  
When our love is hot

You give me hot love  
And it's so good to me  
Hot love  
And baby, no one satisfies me  
With hot love, baby  
So cool, yeah  
Hot love  
A love it takes to satisfy me  
I know, uhh...  
Hot love, ahh... ooh, mm...

Hot love, you give it to me, baby  
You make it all night, and nothing satisfies me  
Hot love, mm... yeah  
Hot love, you give it to me right  
And make it all night  
And nothing satisfies me, I know

Baby (hot love)  
You give it to me, baby  
So good, yeah  
Give it to me, hot love, baby  
Hot love, baby  
So good, baby, give it to me, unh! (hot)  
Whoo! (love) unh...

You give me hot love  
And it's so good to me  
Hot love  
And baby, no one satisfies me  
With hot love, baby  
So cool, yeah  
Hot love  
A love it takes to satisfy me  
(Fade)
