Looking through the times tht we can share  
They were oh so beautiful  
You will keep loving me  
Two hearts together

I just wanna know how you're feeling  
Baby, it's clear I need you here  
Oh, you know it's my heart revealing  
All of it's fears tonight  
'Cause baby...

I can show you love like no other, baby  
I can show you love, ohhh, ohh  
I can show you love, you can be my baby  
I can show you love, ahh yeah

My life is here within your arms  
I love you forever  
Come over here (come over) and keep me warm  
I need your loving

I miss that smile that said so much  
Baby, come here, my mind is clear  
Oh, you know I can't help of feelings  
Come stay with me tonight  
'Cause baby...

I can show you love like no other, baby  
I can show you love, ohhh, ohh  
I can show you love, you can be my baby  
I can show you love, ahh yeah

I can show you love like no other, baby  
I can show you love, ohhh, ohh  
I can show you love, you can be my baby  
I can show you love, ahh yeah

Ahhh  
Ba ba ba ba ba ba  
Ba ba ba ba ba ba  
I can show you love, show you love

I just want to know how you're feeling  
Baby, it's clear I need you here  
Oh, you know it's my heart revealing  
All of it's fears tonight  
'Cause baby...

I can show you love like no other, baby  
I can show you love, ohhh, ohh  
I can show you love, you can be my baby  
I can show you love, ahh yeah

I can show you love like no other, baby  
I can show you love, ohhh, ohh  
I can show you love, you can be my baby  
I can show you love, ahh yeah

I can show you love (I wanna show you, wanna show  
you)  
Like you other, baby  
I can show you love, ohhh, ohh  
I can show you love (Let me show you, I wanna show  
you)  
You can be my baby  
I can show you love, ahh yeah
