If you need to hold me, baby
Tell me tonight, I'm your lady

All this time I've needed your loving
I know you can, it's not the same
But this time I'm gonna make it clear
I want you near me each and every day
Ooh, ooh, ooh

You never look, never look my way
You just turned and walk away
But there's one thing I can't delay
Learn by these words I say
Ooh, baby, yeah

Knock twice if you need to hold me, baby
Tell me I'm your lady tonight
Knock twice, baby
Come on, tell me I'm your only
Love me 'cuz I'm lonely at night
Knock twice, darling, give me all I really needed
Nothing more as pleasing than for you to knock... twice

Now you're here, I put self one you, love
I know your love is gonna stay
Just holding me just not enough
I need your love every day, ooh, ooh, ooh

You never look, never look my way
You just smiled everytime I wait
But now it seems that our love will last
Hear these words I say, ooh, baby, yeah

Knock twice if you need to hold me, aby
Tell me I'm your lady tonight
Knock twice, baby
Come on, tell me I'm your only
Love me 'cuz I'm lonely at night
Knock twice, darling, give me all I really needed
Nothing more as pleasing than for you to knock... twice

[Saxophone solo]

Knock twice if you need to hold me, baby
Tell me I'm your lady tonight
Knock twice, baby
Come on, tell me I'm your only
Love me 'cuz I'm lonely at night, kn-kn-kn-kn-kn-knock
Knock twice, darling, give me all I really needed
Nothing more as pleasing
Knock twice if you need to hold me, baby
Tell me I'm your lady tonight
Knock twice, come on, tell me I'm your only
Love me 'cuz I'm lonely at night, kn-kn-kn-kn-kn-knock
Knock twice, darling, give me all I really needed,
Nothing more as pleasing, kn-kn-knock
Than for you to knock, knock twice, baby
If you need to hold me baby, tell me I'm your lady
tonight
Kn-kn-knock, knock twice, baby
Come on, tell me I'm your only
Love me 'cuz I'm lonely at night, kn-kn-kn-kn-kn-knock
Knock twice if you need to hold me, baby
Tell me I'm your lady tonight
Kn-knock twice, baby
Come on, tell me I'm your only
Love me 'cuz I'm lonely at night
Knock twice, darling
Give me all I really needed, nothing more as pleasing
