Here I lay all alone
Wondering what you're doing now
Two hours and a minute since you've been gone
But your kiss still lingers on and on
Oh, what is passing days would be so long
Without you by my side, yeah
Can't stand for a minute to think where you're at
We coulda learned to love again

So we can live giving love to each other, yeah
We can live giving sweet love for the rest of our lives
We can live giving love to each other, yeah
'Cause two hearts can beat as one

I hear you talking about you and me
About the times when we couldn't see
You know that you want me just as much as I want you,
yeah
We're not ordinary lovers
You know, I remember the night when you held my
hand
These words came straight from your heart
You said true love was not for me until I met you, yeah
Together we'll be forever

So we can live giving love to each other, yeah
We can live giving sweet love for the rest of our lives
We can live giving love to each other, yeah
'Cause two hearts can beat as one

We can live giving love to each other, yeah
We can live giving sweet love for the rest of our lives
We can live giving love to each other, yeah
Loving you, loving you would be just right

[Saxophone solo]

We can live giving love to each other, yeah
We can live giving sweet love for the rest of our lives
We can live giving love to each other, yeah
'Cause two hearts can beat as one

We can live giving love to each other, yeah
We can live giving sweet love for the rest of our lives
We can live giving love to each other, yeah
'Cause loving you, loving you would be just right
