I can see what is on your mind  
I can tell 'cuz I know the signs  
You were victimized  
She played a trick on you  
Don't relive what is in the past  
Love will win 'cuz the pain can't last  
What she took away  
I'll give it back to you

Don't think you're smart  
Don't hide your heart  
Don't think you're smart  
Don't hide...

You got to let  
Love take over  
And when it's in control  
It won't let go  
Love take over  
If you surrender to it  
Love will pull you through  
(Don't think you're smart)  
Pull you through  
(Don't hide your heart)  
Love take over  
If you surrender to it  
Love will pull you through

I don't know what you feel for me  
Your emotions are a mystery  
I wanna let you know  
I want you to stay  
There ain't a thing that we couldn't do  
I'll deliver... let me work on you  
Open up to me  
Stop turning away

Don't think you're smart  
Don't hide your heart  
Don't think you're smart  
Don't hide...

Don't hide... !

You got to let  
Love take over  
And when it's in control  
It won't let go  
Love take over  
If you surrender to it  
Love will pull you through

You got to let  
Love take over  
And when it's in control  
It won't let go  
Love take over  
If you surrender to it  
Love will pull you through
