I look in your eyes  
Ans suddenly I  
Can't face the thought of letting you go  
But we don't say a word  
Although we have so much to say  
The look on your face  
You're feeling the same way  
But time is not our best friend  
And falling in love  
Is only a heartbeat away  
So please don't say goodnight

Just one kiss  
From your sweet lips, darling  
This is it  
And I can't let you go now  
Please stay, darling  
And let me into your life  
Please don't say goodnight  
Just one kiss  
From your sweet lips, darling  
This is it  
I can't hold on much longer  
Please, please, darling  
This moment is oh, so right  
So please don't say goodnight

Right here in this room  
Two innocent fools  
Are fighting for the rite words to say  
And falling in love  
Is only a heartbeat away  
So please don't say goodnight

Just one kiss  
From your sweet lips, darling  
This is it  
And I can't let you go now  
Please stay, darling  
And let me into your life  
Please don't say goodnight

Just one kiss  
From your sweet lips, darling  
This is it  
I can't hold on much longer  
Please, please, darling  
This moment is oh, so right  
Please don't say goodnight...
