You're gonna need me someday
He-e-e-y yeah, yeah...
You better think about it
Oh...
You better think about it, ohh...

Tonight I heard a rumor going on
You found somebody new and now you're gone
But I just wanna say
I know you'll be back someday

So save a place in your heart for me
Save a little love for you and me
I'll be waiting here to kiss away your tears
So save a place in your heart for me, yeah
Uh, hey-ey yeah

Everybody's searching for a dream
But baby, what you're looking for is right here with me
So if you have to go,
There's something you should know

So save a place in your heart for me
Save a little love for you and me
I'll be waiting here to kiss away your tears
So save a place in your heart for me

You're gonna need me [need me]
Someday [someday, hey...]
You're gonna need me [need me] someday [someday]
So save a place for me... yeah-ea-ea-eah
(Laughs)
You better think about it

[Piano solo]

Whoa, whoa, whoa, whoa
Save a place in your heart for me, save it
Save a little love for you and me
I'll be waiting here to kiss away your tears
Save a place in your heart for me, yeah...

You're gonna need me someday
You're gonna need me [need me] someday [someday]
So save a place for me, yea-ea-ea-ea-eah...

Save a place, ah, you gotta save it
Save a little love for you and me
I'll be waiting here to kiss away your tears
Save a place, baby, in your heart for me
Save a place, oh [you're gonna need me], oh, oh, ohh...
Save a little love [someday] for you and me
Oh, kiss away your tears
Save a place, ah yeah, won't you save it, baby
Save a place [you're gonna need me], for you
Save a little love [someday]
Whoa, oh, oh, oh, ohhh, yeah [you're gonna need me]
Oh, oh, ohhh...
Save a place, ah yeah
