Mirror, mirror on the wall  
Tell me it will be alright  
And all I want is to find someone  
Who can end those lonely nights, oh  
I get up even though I feel  
Like I can't face another day  
I try myself I won't cry no more  
But I cry anyway, oh

I keep searching high and low  
For the one thing I need  
I'm gonna walk down the rocky road  
Got to see where it leads  
Still I believe

Somewhere, somebody  
Somebody waiting for me  
Somewhere, somebody  
Mm, I just wonder where he could be  
Coming up  
He's just gotta be there somewhere

I need a streetlight on the corner  
Away across the seven seas  
Close to him so far away  
I'm just already too close to see

How long can this heart of mine  
Just hold on to a dream?  
Mm, but I don't know if I ever find  
The love that I need  
But still I believe

[Chorus]

Somewhere, omebody  
Mmm, where's that boy?  
Where is he?  
Somewhere, somebody  
Aww, he's got to be waiting somewhere

Oh, I get up even though I feel  
Like I can't face another day, uh-huh  
And I don't know if I ever find  
The love that I need  
But still I believe

[Repeat Chorus til fade]
